

## Health and Safety Literature available for voluntary organisations

The aim of the document is to highlight the information available to a voluntary organisation in understanding and responding to Health and Safety Legislation

By obtaining this literature and reading it, we will gain an understanding of how we as volunteers can include safety and welfare in the planning and execution of events. Also our responsibilities to employees, members and the public in terms of good practice and legislation

### Website

Health and Safety Executive - [www.hse.gov.uk](http://www.hse.gov.uk)

Royal Society for the Prevention of Accidents - [www.rosipa.org.uk](http://www.rosipa.org.uk)

HSE Books - [www.hsebooks.co.uk](http://www.hsebooks.co.uk) Telephone 01787-881165

The HSE website will provide access to pdf files of free leaflets on a variety of issues and information on legislation.

The use of a search engine will assist in finding guidance on event safety and specific activities. For example Kaos Design - [www.kdl.to](http://www.kdl.to) has detailed guidance and recommended literature on organising large-scale events.
